16th International Children's Film Festival-2016

Cine Central, Calcutta, the largest film society in India, has always taken keen interest in promoting children films. We believe that a Film festival exclusively for children can help to draw attention on this neglected field.

This year we will present 16th International Children's Film Festival from 7th July to 30th September, 2016 in Kolkata and different locations in the State in collaboration with UNICEF, Nandan (West Bengal Film Centre), film societies and NGO's.

This festival will give the children an opportunity to view some interesting films from various countries with their friends, **without any entry fees.**

His Excellency Shri Keshari Nath Tripathi, Governor of West Bengal has kindly consented to inaugurate the festival on **7th July, 2016, Thursday at 6.00 p.m. at Nandan-I** (West Bengal Film Centre).

Like in the past, we want to spread the festival films to different corners of the state specially North Bengal including Chitmahals. Our emphasis is to cover underprivileged children, physically challenged children, rural children, street children etc.

You may also organize this festival in your area for your target population. We will be happy to extend all help & cooperation.
